Sustainability Action Checklist

Name: _____ Organization / Group:_____

What are we already doing to be a more sustainable family/organization / business / group?	Sustainability Benefits *Check all that apply*			*Do you want to share this with the community?*
	Principle 1 *(Pollution)*	**Principle 2** *(Nature)*	**Principle 3** *(Basic needs)*	
(Example: sort and recycle all our waste, and do our best to cut down on waste in general)	✓			

Sustainable Bridgewater

"Quick Hit" Brainstorm

What NEW actions could we take to become a more sustainable organization / business / group?	**What can we do in the next 2 months to start making this happen?**	**Sustainability Benefits** *Check all that apply*			*Do you want to share this with the community?*
		Principle 1 *(Pollution)*	**Principle 2** *(Nature)*	**Principle 3** *(Basic needs)*	
(Example: start a car pooling program for our employees so we cut down on our use of fossil fuels, and make transportation easier and safer)	*(Example: do some research on good examples of car-pool programs, and hold a staff meeting on this topic)*	✓		✓
